This beautiful graphic is finished and you will shoot down stacks of all kinds of zombies, monsters and other sci-fi creatures. It also includes an RPG element that allows you to upgrade, level up and develop characters that would otherwise become a fighting machine. More than 100 implants to use to upgrade your character, more than 40 weapons to use against bad guys, and developers will boast about 30 hours of total games. There's a lot of content here and it's one of those good zombie games. This is as close as a Dead Space game where you can get mobile. Dead Trigger 2Price: Free playDead Trigger 2 is one of the old zombie games. However, updates have kept the game relevant even today. These missions feature a metric tone of good graphics and pretty good first-person mechanics. There are also weekly missions, hardware controller support and a plentiful bunch of weapons to collect. Like we said, it's an old game. This game is the latest callers this is taking a step back. However, it still plays better than the latest zombie games and FPS games in general. Into the Dead 2Price: Free to playInto the Dead 2 is one of the new zombie games. An endless runner with survival mechanics. Run as long as you can and try not to die. The game provides extermination application. There are also other missions, challenges and even a bunch of dog friends. The graphics are pretty good, rather. More than anything, it's just an ordinary game. It is also free to download with freemium-style in-app purchases. Kill Shot VirusPrice: Free playKill Shot Virus is one of the new zombie games that speaks relatively. It is a first-person shooter with a tone of zombies to shoot and kill. It features good graphics, simple shooter controls, multiplayer content and banners. You also get 100 missions, plenty of gear to collect and more. It is a freemium game and has a lot of the same problems in other freemium games. However, it has long been frequent and unskilled and is a good alternative for older zombie shooters like Dead Trigger 2. Most user complaints are about freemium elements. The game's good. EarthPrice Last Day: Free playLast Day on Earth zombie shooter is a survival game with adventure and open world elements. Create a base of operations, scrounge for items and materials, steal things and kill zombies before they kill you. There are also seasonal landscapes, craftsmanship items and lots of extra supplies to make. This is an excellent survival game with some zombie game elements. You won't blame you if you think the zombie effect is minimal, but it's nice to enjoy the rest of the game enough and see zombies in a game that isn't the main premise of the whole game. Either way, it's a freemium game. Plants vs Zombies 2Price: To play for freeMini DayZ is another zombie survival game. This is very different. One day up on Earth. This retro graphics, hectic but enjoyable game features and tone of material make it like craftsmanship and basic building. Your character also needs a consistent source of food, rest and water. Of course, there are a ton of zombies to either escape or kill. 2D with simple controls. It's a surprisingly fun game because of how simple and retro graphics and controls are. The game had a rough start, but recent reviews seem to show that his 4.1 rating (at the time of this post) is better. The Walking Dead: Season OnePrice: Free / \$4.99-\$14.99The Walking Dead: Season One is the first of The Telltale Games with several zombie adventure games. The Walking Dead is an adventure-horror game linked to the comic book series. Play throughout the game and exit a bunch of dangerous encounters with a swarm of zombies. Your decisions have an impact on the end of the game. The game has five episodes and get the first one for free. You can buy the rest for \$4.99 per episode for \$14.99 for the whole game at the same time. There are three more of these games in the Play Store, including season two, season three and The Walking Dead: Michonne. Here are some of our favorite The Walking Dead games! UnkilledPrice: Spiritual successor to the free playUnkilled Dead Trigger 2. It features slightly better graphics, missions, a bunch of boss fights and online PvP. It also supports hardware controllers. Perform missions, collect weapons and more. There are both types of online PvP. It is the first FPS shooter and other Conflict Ops. This provides a good basic FPS experience along with a bunch of extras for the variety. While this is a freemium game, and it has a lot of the same traps. However, it is easily the most polished zombie shooter on this list. Zombie Gunship Survivalprice: Zombie Gunship Survival is one of the new zombie games to play for free. This is the next game in the Zombie Gunship series. It has basic mechanics from the first game. Sitting in a helicopter and shooting zombies to save people. It also includes some new mechanics, you can build a base, deploy soldiers and kill many more zombies than the first game. The graphics are good for what and the game feels unique. It's a freemium title, but it's really the only bad thing about it. Zombie Roadkillprice: Zombie Roadkill is a fun little zombie themed arcade game to play for free. Players drive their way through zombie apocalypse. Shoot zombies to kill, prevent death and jump on your car. This reminds us of Zombie Highway, a lot of games that are no longer available on Google Play. That's as close as it is these days. The game also includes ten weapons, five vehicles, a story mode, an endless mode and seven types of zombies. Not bad for playing a free title.
